

**Hi!**

**A STARTER GUIDE**

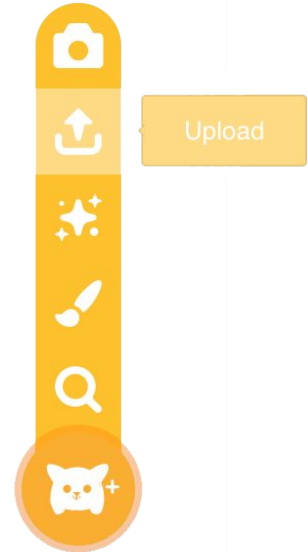

# Costumes

A character can have different costumes.

You can find the costumes under the menu item "Costumes".

Here you can choose from existing costumes, edit the costumes or add your own.

Try it out!

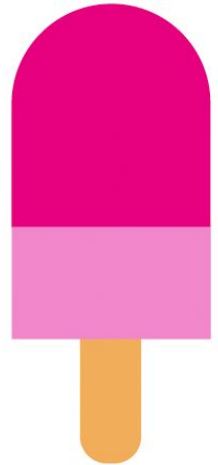

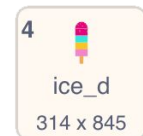

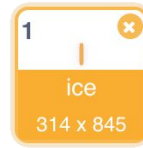

# Costumes

Upload different costumes to the costume library OR assign different costumes to a character.

Now you can address and exchange the different costumes at any time.

**IMPORTANT:** The properties and programs of your character refer to the character no matter which costume is displayed.
