# DIGITAL SIGN

You want to be left alone and undisturbed in your room?
Build your own "Do not disturb" sign and have your message displayed on the Calliope mini!

CALLIOPE.CC

DIGITAL SIGN

You need the following blocks and categories for this program:

|		
Control	**+ start**	**Start** Start block for the main program.
Action	repeat indefinitely do	**Infinite Loop** Repeats the action indefinitely.
	⧖ show text ▾ `" Hallo "`	**Show text** Displays a text on the screen.

**1** Add the block repeat indefinitely to the start block.

Control

+ start
repeat indefinitely
do

DIGITAL SIGN

2 Insert the block show text into the infinite loop.

Action

start

repeat indefinitely

do   show text   " Hallo "

DIGITAL SIGN
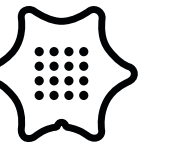

3 Click in the text field and write down the message you want the Calliope mini to show on the display.

Action

start
repeat indefinitely
do ⧗ show text ▾ " Do not disturb! "

Tip - Alternatively, you can display a different message.
"Please knock!", "Please come in one at a time!" or "I'm not home"...
What else can you think of?
