MESSAGES FROM OUTER SPACE

What you will need:

Template

Pens

Scissors

Tape

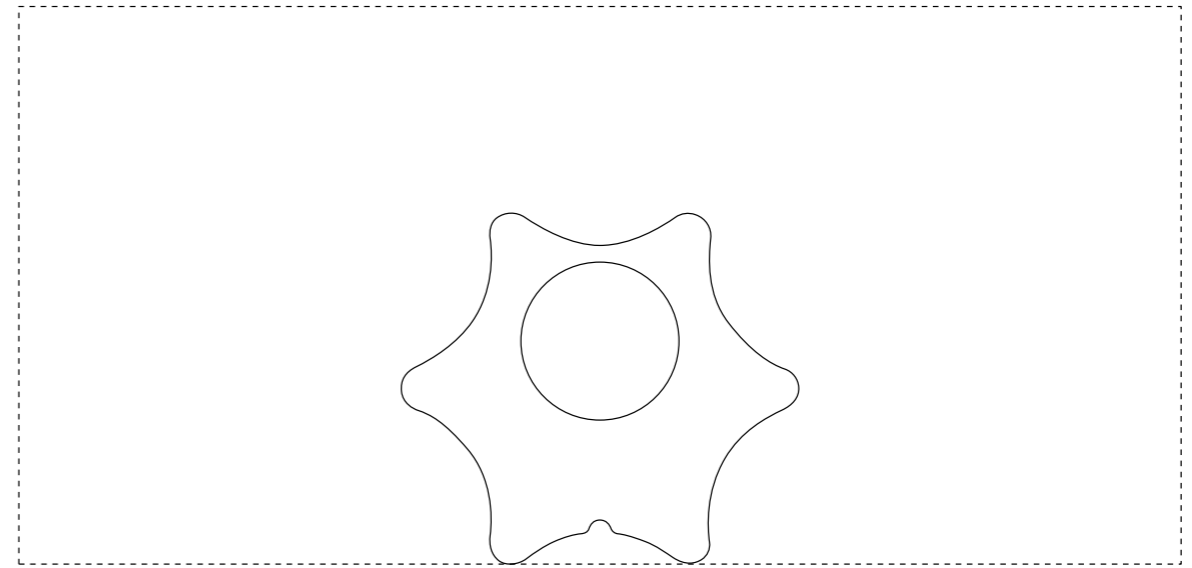

Calliope mini

Batteries

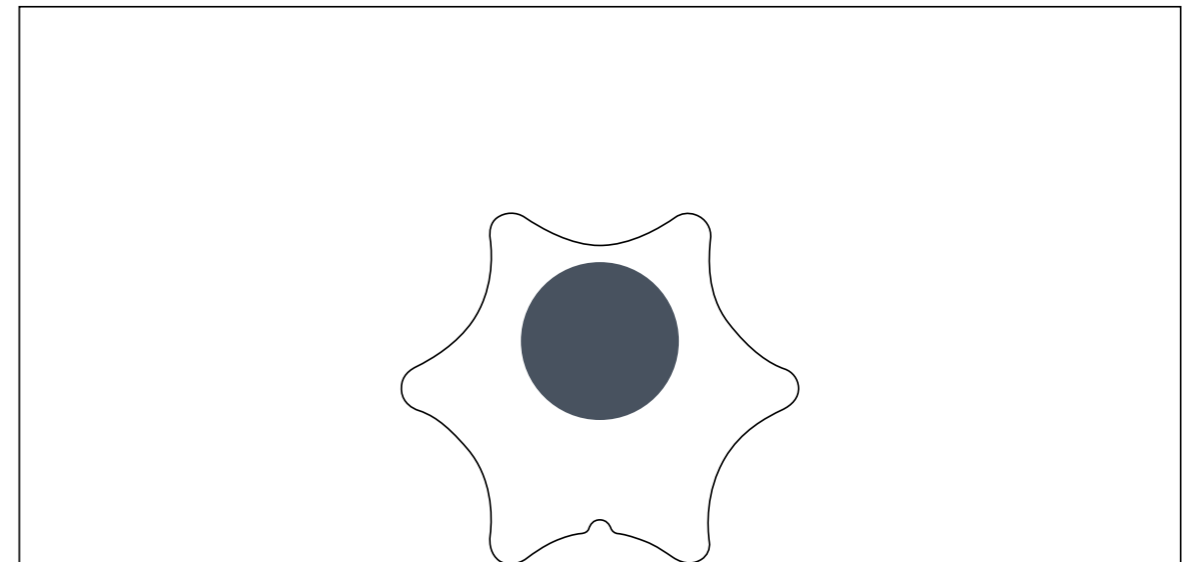

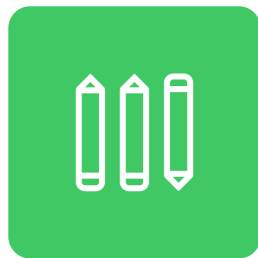

Cut the template.

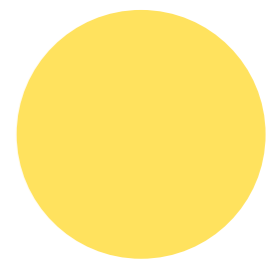

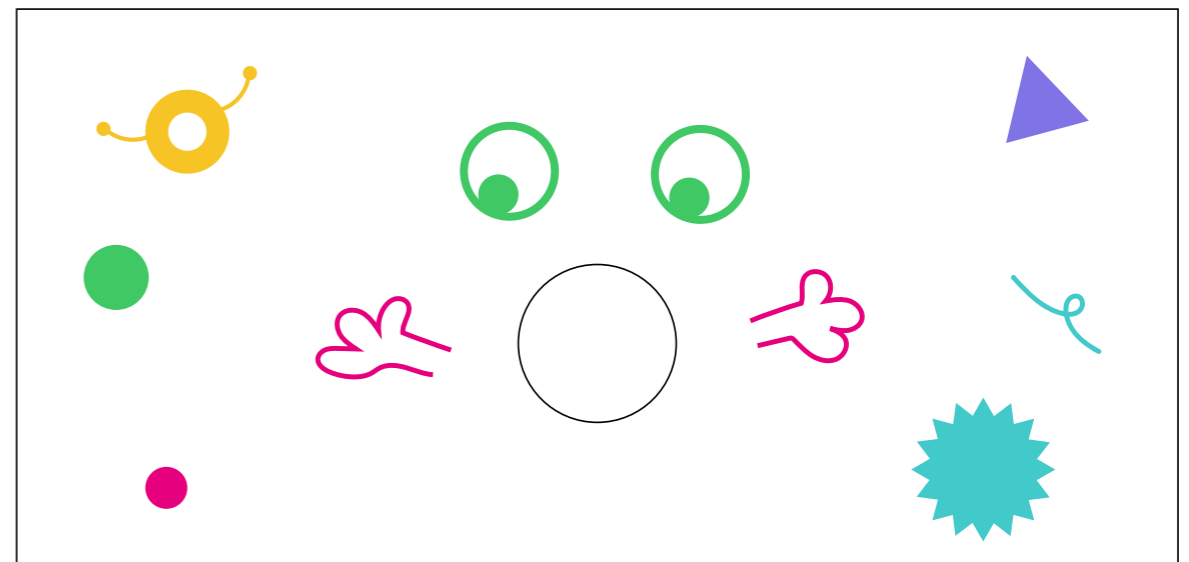

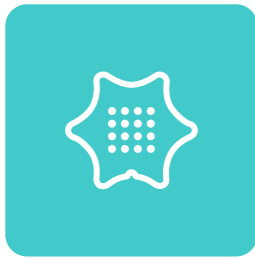

Cut or punch the marked window.

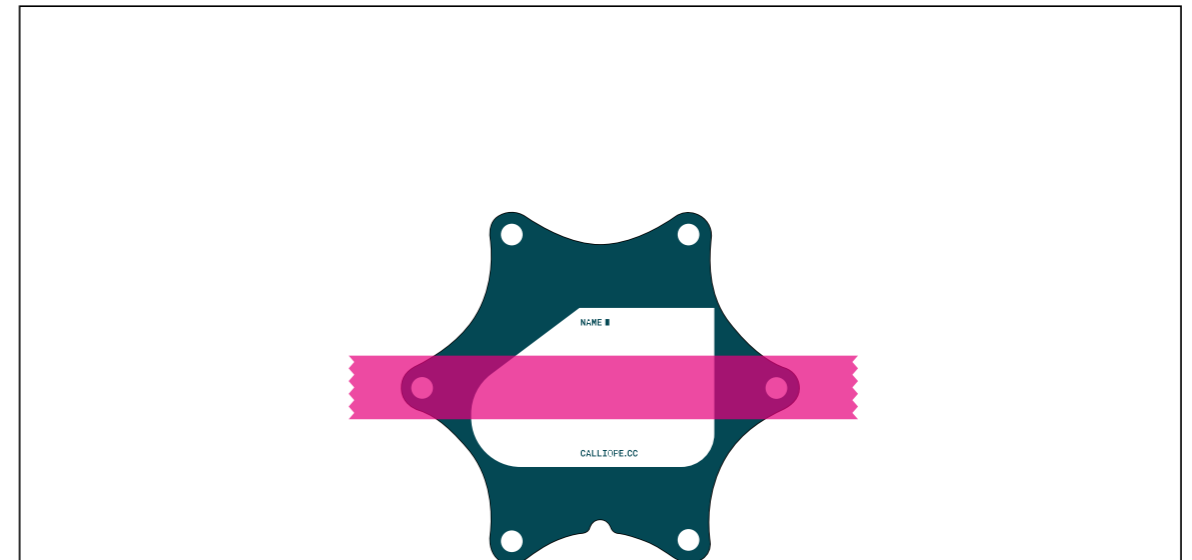

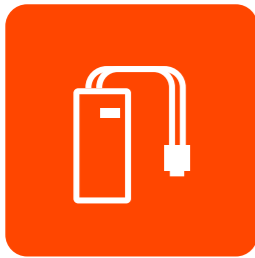

Decorate the back with pens, stickers and whatever else you like.

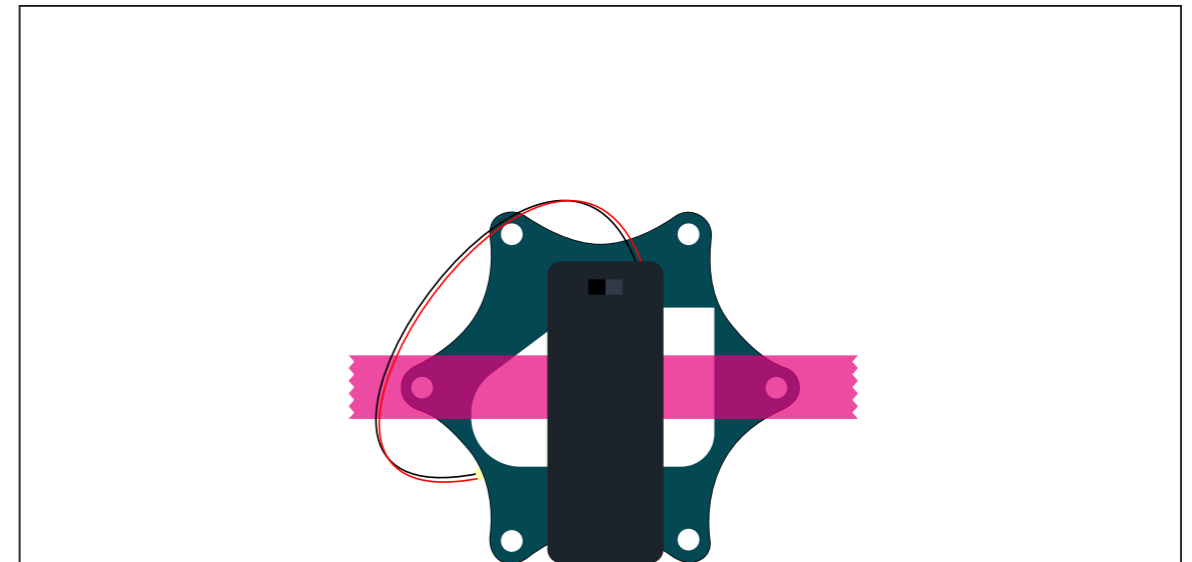

Turn the template back onto the page with the Calliope mini outline. Fix the mini with tape so that the LED display is visible through the hole.

Connect the battery holder.

Fold both side edges inwards and secure them with tape.
