What you will need:

Calliope mini

Batteries

Cardboard

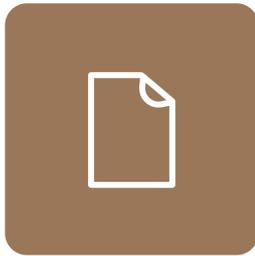

Scissors

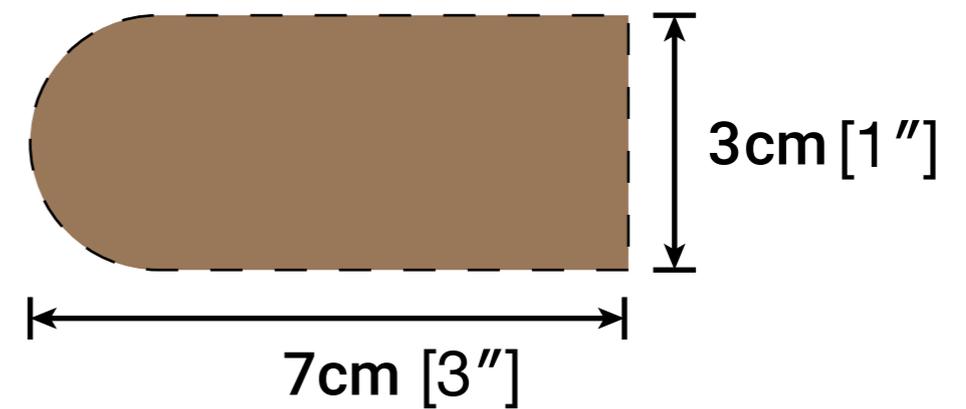

Tape

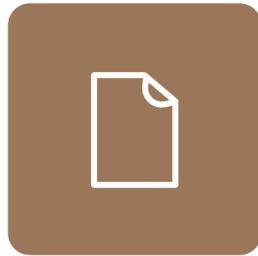

Stickers

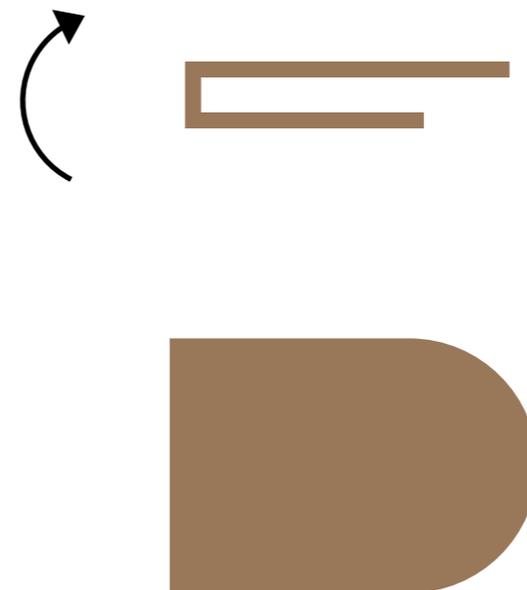

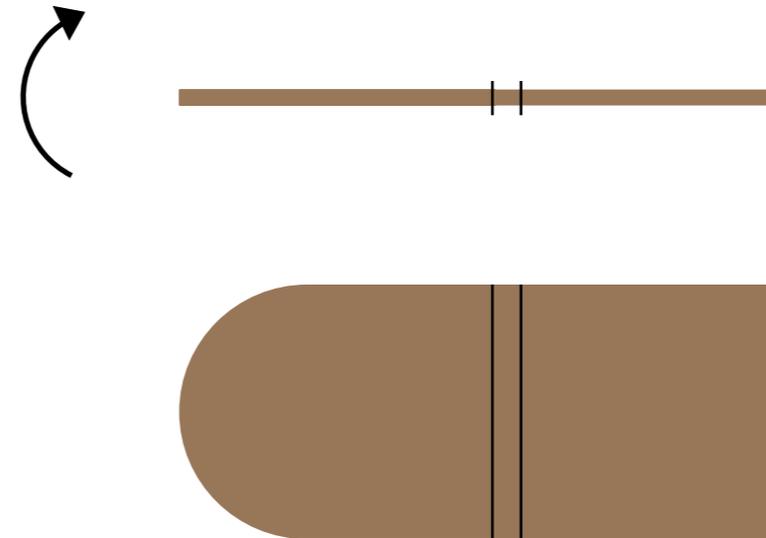

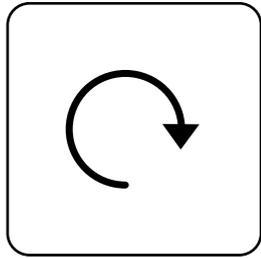

Cut the template.

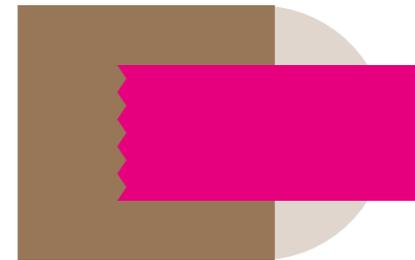

Fold the cardboard twice in the middle.
The two folds are very close to each other.

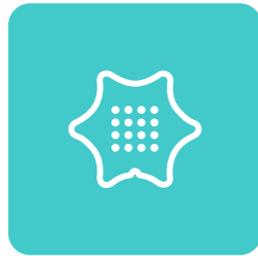

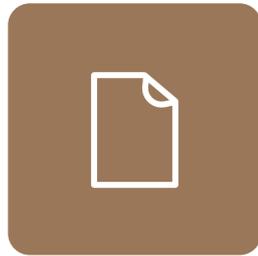

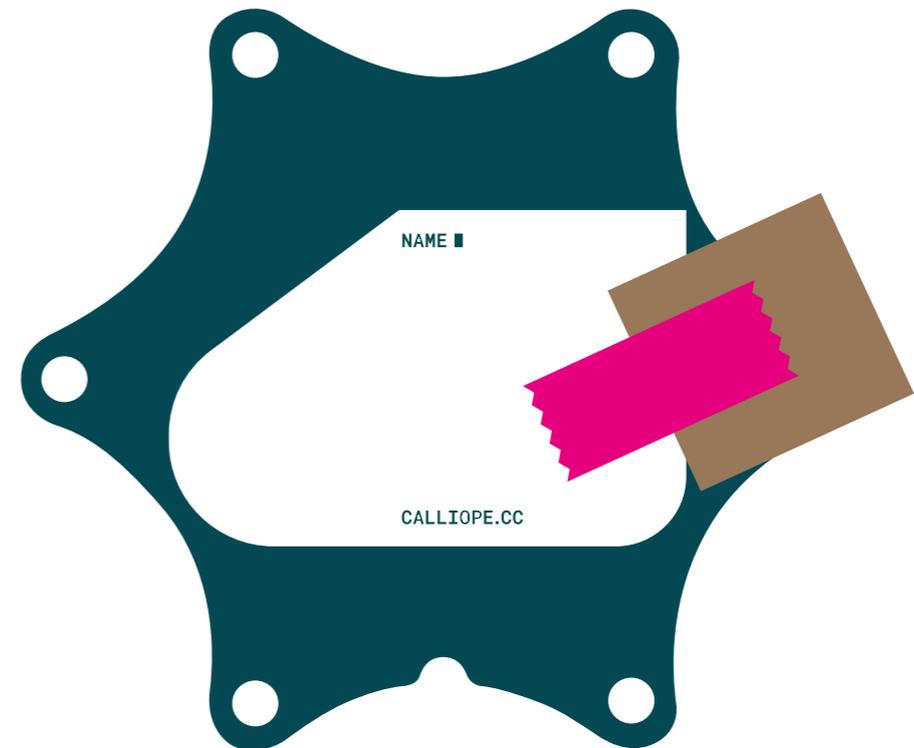

Turn the cardboard over.

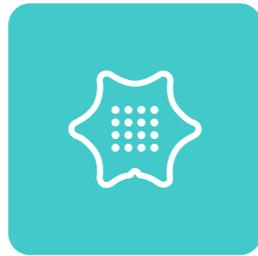

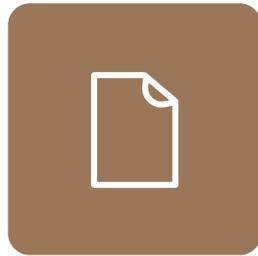

Stick a piece of tape on the back.

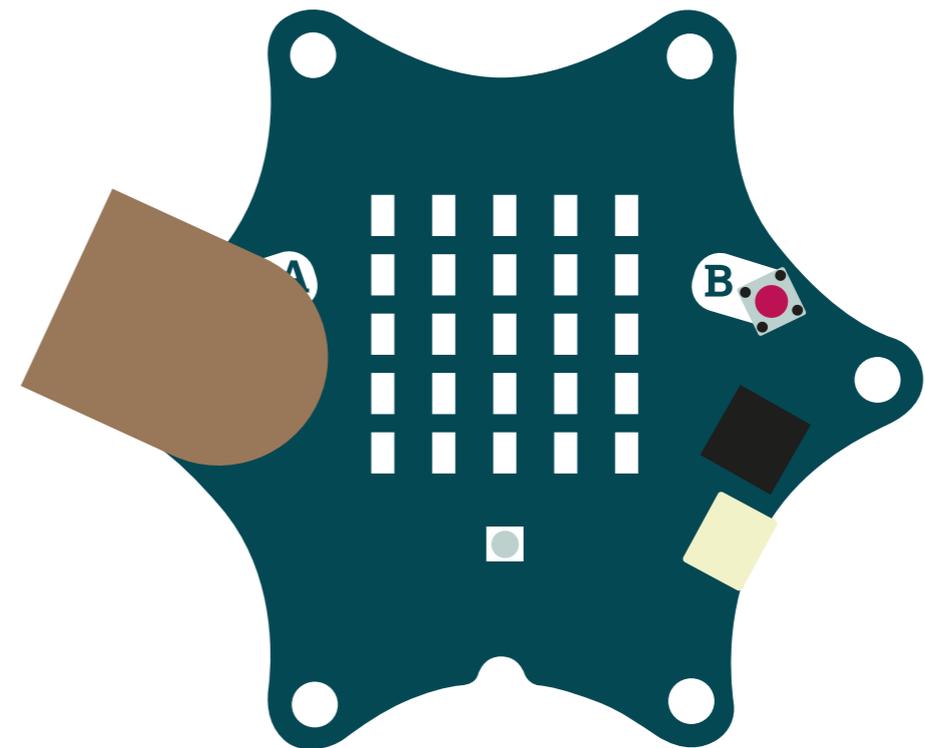

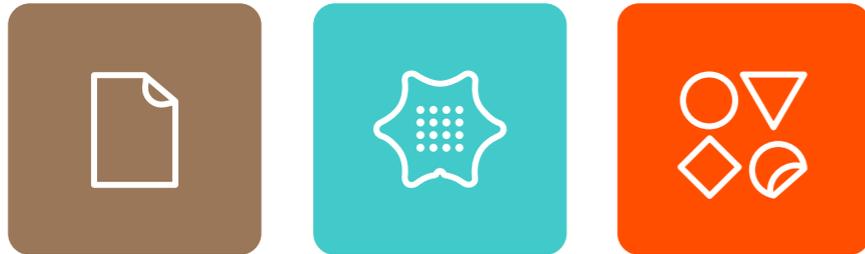

Stick the cardboard to the back of the Calliope mini.

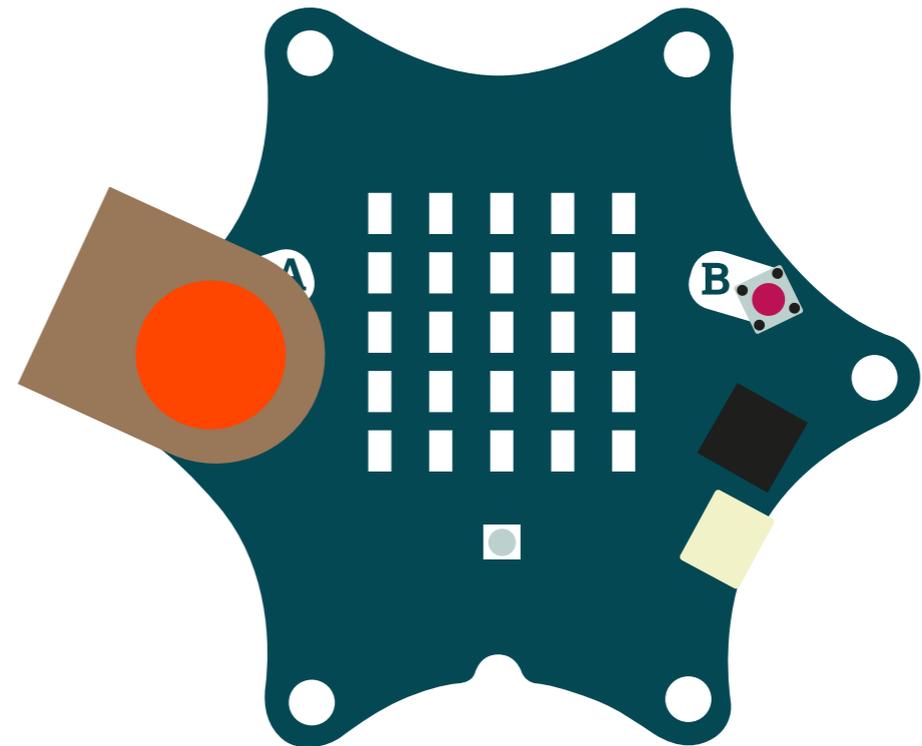

Place the folded cardboard over the **A-Button** of the Calliope mini.

Finally, you can decorate the cardboard.

Make it clear that people want to press the button.
